

edenclean Odour Neutraliser

Description

A ready to use enzyme based deodoriser.

Powerful enzymes break down organic compounds responsible for bad odours. Suitable for use on both soft and hard surfaces including carpets, upholstery, flooring, tiles, urinals and etc.

Contains a light vanilla fragrance to help mask the malodour while the enzymes break down the compounds causing the odour.

This is a natural product. Its colour may vary and a small amount of sediment may be noticed. This is quite usual and does not affect the performance of the product.

Directions For Use

For heavily soiled areas, remove excess debris then spray the product liberally over the affected area.

Agitate the area with a stiff brush.

Allow the area to air dry.

Odours should dissipate noticeably within 60 minutes.

For particularly pungent odours, repeat application may be necessary.

Product Codes

EDN-ON-2X5

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

This product is believed not to be dangerous to the environment with respect to mobility, persistency and degradability, bio-accumulative potential, aquatic toxicity and other data relating to ecotoxicity.

However, do not allow large quantities of neat product to enter surface waterways.

Notes

Packaging is made from recycled materials.
