

Mixxit Toilet Cleaner

Description

Dilutes down to a viscous toilet and urinal cleaner gel. Its blend of detergents and natural acid leaves toilets clean, scale-free and with a pleasant citrus fragrance. Suitable for use on stainless steel and porcelain.

Directions For Use

Fill flask to line level with clean fresh cold water. Dilute with water at 2 pumps per 500 ml trigger bottle or a 12% dilution when used through the automatic mixing pump. Dispense the measured dose of concentrate into pre-filled flask from the dosing unit. Reattach directable cap head and lightly shake mixture. When dosed at the above rate, one 1 L bottle will be enough to fill 33 x 500 ml refill flasks.

Product Codes

MXX619

Storage

Store in cool conditions away from direct sources of heat. Avoid extremes of temperature. Do not allow to freeze. Ensure the cap is tightly fitted after use. Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

Neat product will cause damage to plant and animal life.
Do not allow large quantities of neat product to enter surface waterways as serious ecological damage may be caused.
In the event of a large spillage, contact the local water authority or Environment Agency immediately.
This product uses recyclable packaging.
Phosphate-free.
