

PRODUCT USE GUIDE FOR **VIRABACT® MULTI-SURFACE CLEANER RED**

Product Description

Provides quick cleaning and sanitizing for most non-porous hard surfaces. Suitable for food preparation surfaces. Non-tainting. Food safe. Use disinfectants safely. Always read the label and product information before use. An anti-microbial hard surface cleaner with powerful, proven virucidal, yeasticidal and bactericidal activity for use in cleaning and sanitizing.

Product Features

- A liquid cleaner with a powerful bactericide for use in cleaning and sanitizing.
- Conforms to EN1276, EN14476 (enveloped viruses), EN1650, EN13697 (bacteria and yeast).
- An effective hard surface cleaner capable of removing a wide variety of ingrained and greasy soiling.
- Contains no perfumes so is non-tainting and therefore food safe, making it ideal for cleaning of food preparation areas and areas involved in the processing of meats, cream and other foods that may carry high risk of bactericidal contamination.
- May be used to clean and disinfect all hard surfaces including worktops, salad bars, microwaves, stainless steel surfaces, canopies and chopping boards.
- Anti-microbial activity.
- 5L refill pack available for maximum economy.
- This product has not been tested on animals.

Direction for Use

- Use via a trigger spray.
- For removal of enveloped viruses, ensure surface is free from heavy soiling prior to application.
- General Cleaning: Spray on to a clean damp cloth or paper towel and apply to surfaces. Can also be applied directly to the surface. Pay particular attention to corners, edges and undersides of surfaces. Leave for up to 60 seconds. Wipe off.
- Removal of enveloped viruses: After cleaning surface, spray product on to a clean damp cloth / paper towel or wipe and reapply to surface. Allow 60 seconds contact time and then wipe away.
- Do not dilute.

Storage

- Store in cool conditions away from direct sources of heat.
- Avoid extremes of temperature.
- Do not allow to freeze.
- Ensure the cap is tightly fitted after use.
- Keep out of reach of children.

Shelf Life

- Shelf life 12 months, if stored as recommended.
- Use within 6 months of opening.
